6a. Borough Councillors

There was no Borough Council report due to a Full Council Meeting. Mr M Davis sent an e-mail thanking everyone for supporting his year as Mayor. His chosen charity during his year in office was The Alzheimer's Society and fundraising events have raised approximately £7,000. Special thanks were given to the Parish Council, St Peter's Church and Mancetter Memorial Hall for their support.

6b. County Councillor

Councillor Clark commended the leadership of the Parish Council on the way they had championed the view of residents over two challenging planning applications this year.

The campaign against the Chicken Broiler has been successful with the Borough Council voting to refuse the application although an appeal may be likely in the future. The Judicial review on the proposed Travellers Site is progressing and a date is pending for a legal challenge in the Birmingham Law Courts.

Councillor Clark has some funding available through the Councillor Grant Fund to support local activities, and an Annual Delegated fund of £32,258 will be looking at road repairs, signs and accident reduction schemes. Funding has enabled bollards to be installed in Margaret Road to ease parking issues and barriers have been installed along Tuttle Hill.

A review of the bridges at Clock Hill and Quarry Lane is planned paying particular attention to heavy goods vehicles, as well as exploratory work on the infrastructure of Nuneaton Road with Severn Trent Water.

It is anticipated that an additional 10,000 new homes will be built as part of the duty of co-operation with other areas, therefore a review of amenities needs to take place.

Parish Councillor Mr J Arrowsmith raised the issue of the ineffective speed bumps along Witherley Road.

Although no budget exists for their removal Councillor Clark agreed to forward these concerns to the Warwickshire County Council Portfolio Holder.
