Mancetter Matters December 2015

Mancetter and Ridge Lane Neighbourhood Plan

A Neighbourhood Plan is a new type of planning policy document for a local area. Once adopted it will form part of the Local Development Plan for the local authority and will be used to consider all planning applications in that area.

Our Neighbourhood Plan is underway and we would like to thank everyone who completed and returned a questionnaire recently. All responses have been collated and will be used to take the plan forward. We will be consulting on the main issues early in 2016 and hope that we can count on your support.

Warwickshire County Council – Winter Service in Warwickshire

The County Council will again be gritting existing routes throughout the County. Further information can be found online at www.warwickshire.gov.uk/gritting or by ringing County Highways Customer Service on 01926 412515

Unfortunately, WCC will not consider servicing any additional grit bins; therefore the Parish Council will only be replacing damaged bins.

SNOW CODE

In 2010 the government issued a snow code which included the following statement:

There is no law stopping you from clearing snow and ice on the pavement outside your property, pathways to your property or public space.

Warwickshire County Council state;

If an accident did happen, it's highly unlikely that you would be sued as long as you:

- *Are careful*
- *Use common sense to make sure that you don't make the pavement or pathway clearly more dangerous than before*

People using areas affected by snow and ice also have a responsibility to be careful themselves.

Parish Councillors and Clerk would like to wish all residents of
Mancetter and Ridge Lane,

A Merry Christmas and a Happy and Healthy 2016
