

MANCETTER PARISH COUNCIL

MANCETTER MATTERS MAY / JUNE 2017

40,001 chicken broiler building at Crown Stables, Nuneaton Road, Mancetter, CV9 1RF

Mancetter Parish Council is very disappointed to hear that the refusal for building a chicken broiler unit less than 120 metres from three properties has been overturned by the Planning Inspectorate.

We have spent the last two and a half years actively supporting the views of members of the parish, who have shown total opposition to such a development.

We feel that the impact of this development will have a negative influence on the future progress of the Parish, from business opportunities through to tourism, history, heritage and countryside pursuits.

We are still awaiting a date for the referendum on the Mancetter Parish Neighbourhood Plan but hope that a date will be set in the near future.
