HELP US TO MAKE A DIFFERENCE

www.mancetter.org.uk

The Parish Council would like to commemorate Sunday 11th November 2018 as it is the Centenary date of the ending of the First World War. We are looking for individuals and local community groups to work together to help create displays within the villages of Mancetter and Ridge Lane of painted wooden soldiers and poppies.

Work has started on a play highlighting the impact that war had on the families who lived in our Parish and this will be performed in Mancetter Memorial Hall in the early evening after meeting at St Peter's Church Mancetter for a special commemorative service. We would like to hear from you if one of your ancestors lived in Mancetter or Ridge Lane and fought in the First World War so we can put together a Centenary Commemorative Booklet or Plaque in their memory. It would be nice to include some real- life stories so this is where we need your help!

If you would like to be involved in the commemoration plans, or have your loved ones remembered, then please contact the Parish Council Office at the Memorial Hall and speak to Elane on 01827 722552 or e-mail parishclerk@mancetter.org.uk
