Parish Council Precept

The Precept is the way that the Parish Council raises money to cover their expenses for the year and is charged through the Council Tax System.

Mancetter Parish Council has always strived to keep the Parish precept as low as possible, whilst still providing a good service. Wherever possible we aim to award contracts to residents of the Parish, whilst adhering to the protocol which must be followed by Parish Councils.

We receive many favourable comments about our cemetery and continue to maintain this to a very high standard.

At the Parish Council meeting on 22nd January, after much discussion, it was unanimously agreed to increase the total precept to £29,254

This being an overall increase of £574.00

The annual increase on Council Tax bands is as follows:

Council Tax Band	Increase	Total Parish Levy	Council Tax Band	Increase	Total Parish Levy
Band A	£0.80	£29.25	Band E	£1.47	£53.62
Band B	£0.93	£34.12	Band F	£1.74	£63.37
Band C	£1.07	£39.00	Band G	£2.00	£73.12
Band D	£1.20	£43.87	Band H	£2.41	£87.75

All increases are based on the amounts for Band D properties.

The percentage increase will show as 2.00%

In order to keep the cemetery tidy, any Christmas wreaths and ornamentation still on graves and cremation areas at Easter will be removed.

SPEEDING IN MANCETTER AND RIDGE LANE

Are you worried about the volume of traffic and the speed at which vehicles travel through our villages?

More lorries; more cars; more vehicles not adhering to speed limits!

Do you feel that you are at risk when you are crossing the road, due to the speed of vehicles?

We have the opportunity to work with other agencies to set up a Community Speed Watch Team

We can then collect information to support our case for traffic calming request

Do you have a few hours to spare to join this team?
